#### JT36 Jungle temple tour – half day tour

Hop into a vintage jeep and let the adventure begin! This half-day tour is perfect for travelers looking to explore beyond the main roads and dive deeper into Cambodia's stunning countryside and ancient jungle temples — all while riding in authentic military-style jeeps.

We'll start with a hotel pickup in one of our charming vintage jeeps. From there, we head out on a scenic off-road drive through the peaceful Cambodian countryside. Feel the fresh air and soak in the natural beauty as we drive along dusty trails, passing rice fields, local homes, and friendly villagers going about their day.

Our first highlight is the tranquil Srah Srang, a royal bathing pond once used by ancient Khmer kings. It's a peaceful place and a great spot to pause for photos and enjoy the calm surroundings.

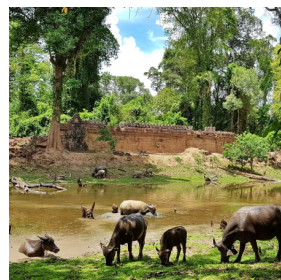

Next, we explore the world-famous Ta Prohm Temple, best known for its giant silk-cotton trees growing through the stone ruins. This atmospheric temple offers a unique glimpse into how nature has reclaimed parts of the Angkor complex. It's one of the most photogenic temples and a favorite among visitors.

Then, escape the crowds with a quiet stop at Ta Nei, a small jungle temple hidden deep in the forest. Accessible only by dirt paths, this hidden gem provides a peaceful and authentic experience—perfect for adventurous travelers.

Before returning to your hotel, we make one final stop at the dramatic Ghost Gate of Angkor Thom. This ancient gate, with its crumbling faces and towering trees, offers a mysterious and hauntingly beautiful photo opportunity.
