DAY 1: Siem Reap

DAY 1: Siem Reap

JT12 Stunning sunset by jeep

Siem Reap's countryside is superb for sunset tours. Ride with us in one of our beautiful vintage jeep to explore and experience the colours, smells and stunning vistas of Cambodia at its finest.

Our guide and driver pick you up from your hotel at 3.30pm and drive you along the small red dirt roads through local

villages and skirt lotus fields, giving you a truly authentic experience.

We will make a stop in a small, traditional village to visit a Buddhist pagoda. This serene site also houses an ancient temple dating back to the Angkorian era, offering a unique glimpse into Cambodia's rich historical and spiritual heritage.

Here, you will have the special opportunity to receive a blessing from a Buddhist monk. You'll take part in a meaningful lotus flower offering ceremony. Presenting flowers to Buddhist monks is a deeply symbolic gesture in Cambodian culture, representing respect and the giving of merit. The monks will return your offering with a traditional blessing, often accompanied by sacred chants and a red thread tied around your wrist for protection and good luck—a peaceful moment of spiritual connection, cultural immersion and tranquility. Afterward, we will continue our journey by jeep.

The surrounding lotus fields are so important to Cambodians as the lotus flower acts as a symbol of purity, the ability to overcome adversity and challenges, and rebirth. Your guide will explain this, and many other things, to you in detail. We also drive through vast rice fields and by the time the sun goes down, we will pick a nice spot with the jeep somewhere among the paddies. Here we will open a bottle of sparkling wine and toast to a beautiful sunset.

After the sun sets over the beautiful horizon, we'll take you back to the comfort of your hotel. This sunset jeep tour is a magical experience which will live long in your memories.
