DAY 1: Siem Reap

### DAY 1: Siem Reap

#### JT09 Countryside and floating villages

Launch into an epic escape from Siem Reap! Our vintage jeep will blast you into the heart of the stunning Cambodian countryside. Then, we ditch the wheels for pedals, hopping onto local bicycles. Conquer the vibrant red dirt roads, weaving through authentic villages on a smooth, flat ride. We'll stop at a bustling local market, immersing ourselves in the raw energy of traditional Khmer trade – a daily spectacle!

We then resume our journey with the visit of one of the most impressive floating villages in Cambodia – Kampong Kleang. When we arrive at the village, we will board a boat and head out in exploration of the floating village. At lunch time, we will take you to a stilt house in the village to share a typical Khmer lunch with very friendly locals.

Next, we proceed to the Vietnamese floating village. This village is unlike the rest of Kampong Kleang. The Vietnamese Village is not composed of stilt houses. The houses there are built on floating objects that keeps them afloat on the Tonlé Sap. The village moves along the river and sometimes up to the lake depending on the season.

The above program may be altered or rearranged by the tour leader based on the best option subject to the weather, our guests' ability to ride a bicycle, or other factors that require adjustment in the itinerary.

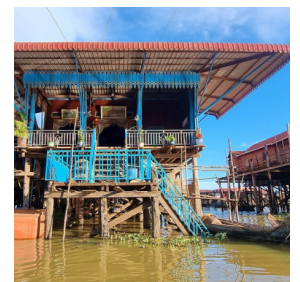

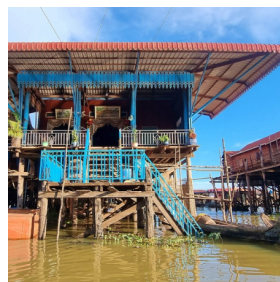

We usually arrive back to town around 5 PM which may vary depending on your interest and energy time spent with the locals, speed on the bicycle, etc.).
