Day by Day

DAY 1: Siem Reap

JT33 Jeep Sunset Explorer & Village Dinner

Begin your unforgettable journey with a warm meet and greet from our friendly local team before hopping aboard a charming vintage Jeep—an iconic vehicle that adds character and comfort to your countryside adventure. This half-day experience is the perfect way to connect with authentic Cambodian village life, just beyond the bustle of Siem Reap.

As you travel down scenic backroads and rural trails, you'll be immersed in the sights, sounds, and rhythms of the Khmer countryside. Pass by peaceful rice paddies, sugar palm trees, and traditional wooden stilt houses, all while enjoying the open-air ride that only a vintage Jeep can offer.

Your first stop offers a unique local highlight: an ox cart tour through the quiet village and surrounding farmland. Climb aboard a traditional wooden cart pulled by gentle oxen and enjoy a slow, scenic ride guided by a local farmer. This peaceful journey takes you through rice fields and along rustic village paths, offering a glimpse into Cambodia's agricultural lifestyle and rich traditions. It's a cultural experience that brings you closer to the land and its people.

Continue your journey along the tranquil, forest-lined trails near the banks of West Baray, a historic Angkorian reservoir. Surrounded by lush greenery and ancient irrigation systems, this peaceful setting invites you to slow down and reconnect with nature. The calm and quiet atmosphere is a refreshing contrast to the city.

As the day winds down, we'll bring you to the countryside oasis of Dounta Restaurant. Here you can enjoy the last moments of the sunset and experience an amazing Khmer Tasting menu. Relax with a glass of chilled wine and delight in this extraordinary gastronomical feast.

After this amazing dinner, we will take you back to your hotel.
